VOLUSIA COUNTY ARES NET SCRIPT

19:28 – I will be starting the ARES net in 2 minutes. If anyone needs to use this repeater, please do so now. This is

(Your Call).

Note: If there are people using the repeater, interrupt their conversation and politely let them know that there is a net starting in 2 minutes and if they wouldn't mind going to another repeater or invite them to join us.

19:30 - This is *(your call sign phonetically)* __(Your Call)__ with the Volusia County ARES net.

My name is __(Your Name)__ and I'm located in __(Your City)__ Volusia County.

Is there any emergency or priority traffic?

All amateurs are invited and encouraged to check into the net. This is a directed training net. When checking in, please give your call sign slowly and phonetically followed by your name and location. I will acknowledge as each group of stations from your area checks in. Please remain on frequency until released by net control.

Unless emergency or priority traffic, all traffic will be directed to the VCTN (Volusia County Traffic Net) which meets on the 147.150 repeater daily at 18:30 hours local time.

Do we have any stations short of time or mobile?

Are there any net announcements or bulletins?

NOTE: If there are short of time stations and announcements, ask if they would like to make the announcements now or wait until after roll call for the announcements.

I will now take check-ins for the Volusia County ARES Net by areas.

First, the Northwest area, including:

Deland
Deleon Springs
Glenwood
Lake Helen
Pierson

Next, the Southwest area, including:

Enterprise
Deltona
Debary
Orange City
Osteen

Next, the Northeast area, including:

Daytona Beach
Daytona Beach Shores
Holly Hill
South Daytona
Ormond Beach

Next, the Southeast area, including:

Edgewater
Harbor Oaks
New Smyrna Beach
Oak Hill
Ponce Inlet
Port Orange

This is __(Your Call)__, Volusia County ARES net control. I will now take check-ins from all areas.

Note: Call stations with announcements. If it was already done, ask the station if they want to repeat the announcement.

If you have any comments, suggestions or concerns that are related to ARES, or Amateur Radio, please give your call sign now.

Note: At 19:55 ask stations going to other nets to check out if needed.

This is __(Your Call)__ net control for the Volusia County ARES net, is there anything we can do for anyone on the frequency, whether checked into the net or not, your call sign please.

We invite you to join Volusia County ARES. You can do this by logging on to VOLUSIAARES.ORG or give your contact information to net control and someone will be in contact with you.

I will now be closing this session of the Volusia County ARES net and, returning this repeater back to normal amateur use.

This is __(Your Call)__ clear at _(Local Time)_. 73's and good evening.

8:00pm = 20:00
